### *Update for Outdoor Season*

We are excited to announce an Outdoor 2021 season from **April 26<sup>th</sup> – June 25<sup>th</sup>**! At this time, we will be offering training sessions with the hope of moving towards game play. We will be following all Health regulations, and as those change so might how our programs are run. We thank you in advance for your patience!

The schedule is posted on our website. We do not anticipate changes in days of play (ex Tues/Thurs) but possibly in the time slots depending on regulations of the number of children allowed on one team.

Registration Forms will be available online beginning **March 1<sup>st</sup> and will be closing March 19<sup>th</sup>**. There will be caps placed on each age group due to health restrictions, therefore late registrations will not be accepted. Payments on line can be with a credit card or e-transfer. Cash or cheques are not accepted at this time.

Due to costs of running our programs, fees will not be reimbursed if Covid-19 shuts our programming down. Please see our policy on the website for other reimbursements.

**Communication** – As information around protocols changes all the time, please read communication from the board carefully! We will be following the Government of Saskatchewan and Sask. Soccer recommendations for all of our return to sport play protocols. Our main source of communication is email.

**OFFICE HOURS** – Natalie is working in the office in the Elmwood Centre (3<sup>rd</sup> Floor) on Tuesdays from 11:00-2:30 and Thursdays from 5:30-7:00. If you are entering the office, please be respectful of physical distancing and wear a mask.

# Volunteer Fee Per Family –

New to the outdoor season is a volunteer option. We are implementing this in order to secure more volunteers to run our season. If you are unable to commit to volunteering, you will be required to pay a \$50 non-refundable volunteer fee. For those that are able to contribute you will have the following options on your registration form:

**Coach** - coach a team

**Assistant Coach** - assist the coach

**Covid Rep** - help in taking attendance, asking Covid questions, helping in sanitizing equipment

**Field Support** - helping in getting fields set up at the beginning of the season, maintenance of the lines, nets, cleaning up fields at the end of the season

**Equipment Support** - helping get equipment and jerseys/shirts organized at the beginning of the season for teams, cleaning up equipment at the end of the season, shed supplies

**Soccer Golf Tournament** – set up/clean up, help throughout the day

**General Support** - putting thank you gifts together, selling soccer bags, contacting/organizing volunteers, organizing Pizza Hut coupons, and other to be determined

\*Please note that the field support, equipment support, and extra support you will not be expected to do all of those jobs listed but at least one.

\*These are general job descriptions – more details will follow once the season is underway and you will be contacted by email.
