### *Covid-19 Update for Indoor Season*

We appreciate all of the families for their cooperation in our reopening of Indoor Soccer. It certainly is not how we would like to run our programs but we are all making it work together. So, thank you!

Please remember that at this point in time we are allowed 1 spectator per player in the Stockade. The spectator that is planning on watching **needs** to fill out the spectator portion on the RAMP app. This is for contract tracing purposes. Thank you for your understanding!

Each player needs to fill out the Covid questions on the RAMP app for every practice. There is a short window of time to fill it out – up to two hours ahead of scheduled practice. Please note that the app closes when the practice time begins so you cannot fill it out late. There will NOT be paper or oral questionnaires completed at the door – you **MUST** do it online or your child will not be able to go on the pitch. **Please pay careful attention to Covid screening questions. They will be updated in conjunction with changes made to the Saskatchewan Health Authority screenings.**

Cleaning – the City does do cleaning of bathrooms and high touch areas frequently. There are cleaning wipes available near the door if you wish to wipe down your chair/area yourself.

And, masks! We are strongly encouraging spectators to wear masks while in the Stockade. Thank you for your cooperation.

**LOST AND FOUND** – Due to Covid we will not be collecting any left-over equipment or belongings this year. Please check your surroundings before you leave the building.

**Communication** – As information around protocols changes all the time, please read communication from the board carefully! We will be following Sask. Health Authority and Sask. Soccer recommendations for travelling over Christmas holidays. We will send you that information closer to that date.

**OFFICE HOURS** – Natalie is working in the office on Tuesdays from 11:00-2:30 and Thursdays from 5:30-7:00. If you are entering the office, please be respectful of physical distancing. Clothing is available for sale. E-transfers are accepted.
